

RESTRICTED KEY SYSTEM FORM

REQUEST FOR RESTRICTED KEY DUPLICATION

The Restricted Key Systems are by virtue a high security precaution and therefore no keys will be cut without specific authorization. Only nominated personnel may authorize registered system keys to be duplicated.

We request that the following keys be duplicated by authorization of the listed signatories:

We require these keys to be delivered / collected by __ / __ / __ (please note deliveries will incur an additional fee)

Company Name**System Number**

(Code can be found on the body or head of key)

No. of Keys Required:

Name of Requestor:

Signature:

Name of Authorised Personnel/ Signatory on system:

Signature:

Please allow a minimum of 24 Hours for processing before collection of key. Please fax to 02 9764 3639 or email to info@securetek.com.au

Keys can only be legally duplicated by the Locksmith Company that owns the system currently installed with permission of the system holder. Should a key be presented for duplication at any key cutting service without the appropriate authorization the key may be confiscated and the holder of the registered system notified of the intent to copy a key without the correct authorization. All breaches will be dealt with through the appropriate channels and tough penalties may apply.
